

REMS FREEZER

- Easy and fast
- Automatic refrigerant feed
- High cooling capacity
- Very small durable freeze collars to 2"

Ref: ESKIMO

PIPE BEVELER

- Cordless pipe beveler
- Adjustable & long lasting
- 2 bevel bits
- Stand alone or mount to DeWalt or Milwaukee

Ref: Bevel Boss

PIPE FREEZER

PRESSING

- Cordless radial press
- Automatic circuit control
- Rod cutter option
- Capacity to 4"

Ref: Akku-Press 22V

CLOSED WELD HEAD

- GTAW Water Cooled Fusion Weld Head
- Integrated Remote in handle
- Large size range

Ref: MW

TUNGSTEN GRINDER

- High dust capture - optional vacuums
- Stock and CSA in Canada
- Parts - wheels - raw tungsten

Ref: Piranha

WELDING LATHE

OPEN WELD HEAD

- GTAW Hot Wire and Cold Wire Capable
- Minimal radial and axial clearance
- Any material - any thickness

Ref: MUIV

GROOVER ATTACHMENT

- Roll grooving attachment
- Takes the place of the die head
- Includes Go-No-Go gauge
- 1 - 1-1/2" capacity

Ref: 4080

ROLL GROOVER

- Roll grooving made easy
- Easily mounts to most threaders
- Hydraulically operated
- Capacity 6" S/40 - 12" S/10

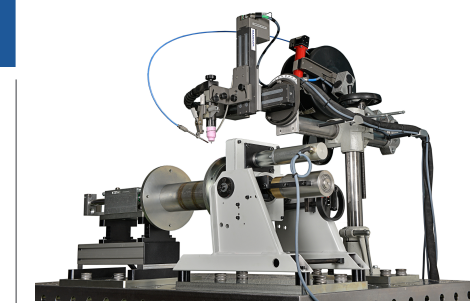

Ref: 1041

MULTI RANGE PIPE CLAMPS

- Forged Steel Construction - Available in all Stainless Steel as well
- Quick Alignment of pipe to pipe - pipe to fitting - pipe to flange
- Electroplated for spatter and rust resistance

Ref: Alignment Clamps

- GTAW Hot Wire - Cold Wire - Plasma
- Welding roll out system for 1G - 2G
- High Productivity - Repeatable - Modular

Ref: Welding Lathe

PURGING KITS

- Purge Kits to accommodate a range of standard sizes
- Faster and better purging of straight lengths as well as fittings and bends
- Industry best diffusers for excellent gas coverage with no turbulence

Ref: InterPurge

ROLL CUTTER

- Light, portable & compact
- Cuts copper, carbon steel, plastic or stainless steel
- Chipless cutting
- Capacity to 4"

Ref: Cento

REMS FREEZER

- Electric pipe freezing
- Closed refrigerant circuit
- Environmentally safe
- Capacity to 2"

Ref: Frigo

PIPE BEVELERS

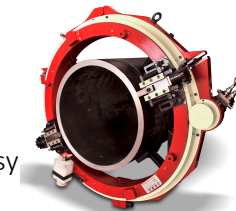

- Portable & Stationary Units
- Range of 0.5" - 100"
- Any material - Any bevel
- Pneumatic - Hydraulic - Electric battery available

Ref: GBC Bevel

COLD CUT - BEVEL

- 6" - 60" Pipe Capacity - Any Material
- Robust - Large Pads - Fast and Easy Set-up/Squaring
- Pneumatic - Hydraulic - Electric power supplies available

Ref: Super Cutter

MULTIEDGE PLATE BEVELER

- 80mm Bevel Length
- 0° - 90° Bevel Angle - Facing - Cladding Removal - J-Bevel
- Any material via use of carbide inserts

Ref: ME80

T-DRILL

- 28V Li-Ion battery
- Only one brazed joint
- No costly tee inventories
- Capacity to 6" run pipe

Ref: T-65B

**P6 SMART WELDING STATION**

- Intuitive - I4.0 Connected - 6 Axis - Smart Welding Station
- Versatile for all applications
- Available in cold wire and hot wire versions

Ref: P6

**TUBE SHEET WELD HEAD**

- Tube to tubesheet welding for most applications
- Special tooling for 1/8" protruding applications
- High productivity and easy to use

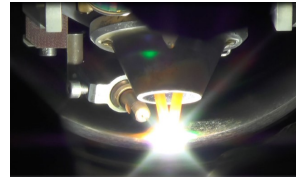

Ref: TS875-3

**MAGNETIC DRILL**

**CLADDING**

- High speed GTAW HW Cladding - Low dilution - Smooth Flat Finish
- 18m Length - Elbows - Simple geometry - Complex Geometry
- Less waste of expensive overlay consumables

Ref: TIGer

**EXACT 460**

- Cuts cast - copper - ductile - plastic - steel - SS
- Easy, safe, fast
- Laser light
- Capacity 4" - 18"

Ref: 460-PCS

**FITTING SAVER**

- Reduce labor
- Save material
- 7 individual sizes
- Capacity to 4"

Ref: PPRK4

**ELECTRIC SOLDERING**

**BAND SAW**

- Straight or mitre cutting
- Hydraulic saw head lift
- Magnetic motor starter
- Capacity to 16" (other size Models available)

Ref: Baxter

**ENGRAVING**

- Hand Held Dot Peening Marker
- Intuitive and Easy programming
- Portable - Battery Operated

Ref: Flymarker 85/45

**ORBITAL PIPE CUTTER**

- Accurate and robust orbital cutting
- Up to 10mm wall thickness
- Consumables for all materials - Lube - Blades

Ref: Pipe 4

**REED PUMP**

- Lightweight and cordless
- Includes 15' HP hose
- Drill not included
- Capacity 500 PSI

Ref: DPHTP500

**ELECTRIC SOLDERING**

- Flameless electric resistance soft soldering
- Footswitch included allows for hands free operation
- Heavy-Duty plier style handpiece
- Three (3) year warranty

Ref: Viper

**REED 110V PUMP**

- Smooth running 3/4 HP motor
- Includes 15' HP hose
- Optional protective steel cage
- Capacity 500 PSI

Ref: EHTP500

**PIPE FLANGER**

- Low Consumption - Full Electric Flanging Machine
- Intuitive - I4.0 Ready - Servo Driven - Easy To Use
- Up to 9mm wall thickness with Induction Hot Forming Option

Ref: F420e

- 7" Machine Height - Low Profile
- 3/4" Weldon Shank - 2-1/2" Stroke
- 2-5/32" cutting depth
- Famous German Eibenstock Motor

Ref: KALP 45

**TEE PULLER**

- Up to 8" Collars on Sch 40 Pipe
- Cu - CuNi - Aluminum - Stainless - Carbon Steel compatible
- I4.0 Ready - Auto Work Cycles - Productivity As A Product

Ref: TEC220

**BENDERS**

- Patented RoLube system
- Auto degree shutoff
- Powerful 115V AC motor
- Capacity to 1-3/8"

Ref: RoBend 4000

**50R THREADER**

- Auto open/ auto oil head
- Ball detent dies
- Quadruple filtration
- Capacity to 2"

Ref: 63005

**DRILL**

- Compact and lightweight
- Adaptor for DeWalt or Milwaukee
- Rack & pinion feed
- Capacity to 4" holes

Ref: 3090 / 3091
